

AudioExplorer.AI Logo Style Guide

Design Objective

The logo combines elements representing audio (headphones & signal) and travel (car, mountains, road, and GPS marker) in a vibrant, modern palette.

Color Palette

| Element | Hex Code | CMYK | RGB | |
|--------------|----------|-----------------|---------------|-------------|
| Headphones | #00B5D9 | 70, 0, 10, 15 | 0, 181, 217 | <div></div> |
| GPS Pin | #F5A623 | 0, 35, 85, 4 | 245, 166, 35 | <div></div> |
| Wi-Fi Signal | #FFFFFF | 0, 0, 0, 0 | 255, 255, 255 | <div></div> |
| Car | #003B6F | 100, 73, 10, 56 | 0, 59, 111 | <div></div> |
| Mountains | #2E7D32 | 76, 22, 100, 8 | 46, 125, 50 | <div></div> |
| Road | #082947 | 100, 76, 30, 85 | 8, 41, 71 | <div></div> |

Print-Friendly Guidelines

- Flat Colors Only: No gradients or shadows used—ensures clarity in screen and print media.
- Contrast Optimized: High legibility in both CMYK and grayscale conversions.
- Scalability: All elements are vector-style. Works clearly down to 1cm.
- Embroidery & Sticker Friendly: Solid fills, high-contrast outlines, minimal fine detail.

Recommended Use Cases

- Digital Apps & Websites (RGB)
- Printed Flyers, Posters & Merchandise (CMYK)
- Vehicle Wraps, Wayfinding Signs
- Mobile App Icon (legible even at 32x32 px)
